Please have my pool opening completed by: _____

Please have any necessary pool equipment out of storage and beside your pool. All gates and sheds should be unlocked and please ensure there is live power and an accessible garden hose with the water turned on. If we are unable to complete our work due to lack of these resources, additional charges will be incurred.

Please note: Prices for packages, maintenance and service rates do not include chemicals and or any parts required. Additional pool cleanings for our gold or platinum package will be billed at a rate of \$88 per additional visit. Please ensure your solar blanket is removed from your pool prior to your scheduled maintenance to avoid additional charges.

Weekly pool maintenance includes: Skimming pool surface • Vacuuming of pool floor • Testing and balancing water chemistry • Emptying pump & skimmer baskets • Backwashing of sand filter if required • Cleaning scum line as required.

Openings include: • Pump off and remove debris from cover • Rinse & roll up cover • Balancing pool water chemistry • Start up system • up to 30 minute vacuum of pool • Cleaning of the scum line
